NONCOMPLIANCE SUMMARY

The offender has not complied with the following condition(s) of supervision:

CONDITION VIOLATED

The defendant shall cooperatively participate in an evaluation and a mental health treatment program with emphasis on sex offender treatment, and pay for those treatment services, as directed by the probation officer. Treatment may include physiological testing, such as the polygraph and penile plethysmograph, and the use of prescribed medications.

NATURE OF NONCOMPLIANCE

Mr. Hill was terminated from sex offender treatment unsuccessfully on August 11, 2015.

U. S. Probation Officer Action:

On August 13, 2015, a status report was received from Senior U.S. Probation Officer Jason McMurray, Western District of Virginia, with regards to Brian David Hill's compliance with sex offender treatment. Mr. Hill is being supervised in the Western District of Virginia but jurisdiction remains in the Middle District of North Carolina. According to Senior U.S. Probation Officer McMurray on August 11, 2015, he was notified by Dr. Keith Fender, certified sex offender treatment counselor at Radford Counseling that Mr. Hill was being removed from counseling after two sessions. Mr. Hill's final session took place on August 8, 2015. Mr. Hill was deemed by the counselor as "not amenable to treatment." Dr. Fender noted that Mr. Hill's contributions to group counseling have solely focused on his impression that he was wrongfully convicted for the instant offense, thus making it impossible for him to adjust and eventually complete sex offender counseling. Additionally, Dr. Fender advised that Mr. Hill was removed from the group so as not to hinder the progress of other members of the counseling group.

According to Senior U.S. Probation Officer McMurray, Mr. Hill is in full compliance with all of the other conditions of supervised release. He continues to attend mental health counseling in the Western District of Virginia and maintains medication compliance. Mr. Hill has also complied with his location monitoring special condition. He continues to live in Martinsville, Virginia with his mother and grandparents.

It is the recommendation of the probation office that Mr. Hill continue on supervised release at this time and participate in his regular mental health treatment program. Mr. Hill could be re-referred to sex offender specific treatment in the future if deemed appropriate. If there are additional issues with non-compliance the Court will be notified immediately.

Respectfully submitted.

Edward R. Cameron
